3. Legal and Economic Considerations for the Conclusion of the Amendment Agreement

The Controlling Entity and the Controlled Company concluded a domination and profit and loss transfer agreement (*Beherrschungs- und Gewinnabführungsvertrag*) on May 17, 1999, which, after approval of the shareholders' meeting of the Controlling Entity and of the shareholders' meeting of the Controlled Company, became effective upon its registration with the commercial register of the Controlled Company on September 21, 1999 (date of transcription to electronic commercial register: October 12, 2001) (the „DPLTA“).

The existing DPLTA serves, in particular, the creation and the maintenance of a fiscal unity for income tax purposes (*ertragsteuerliche Organschaft*) pursuant to sections 14, 17 of the German Corporate Income Tax Act (*Körperschaftsteuergesetz*). A fiscal unity for income tax purposes allows for the allocation of profits and losses of the Controlled Company to the Controlling Entity for purposes of corporate income tax (*Körperschaftsteuer*) and trade tax (*Gewerbesteuer*) and, thereby, consolidating them with the results of other group companies which are also part of the fiscal unity for income tax purposes at the group level. To this end, the DPLTA must comply with the requirements of section 17 of the German Corporate Income Tax Act.

Section 4 of the DPLTA stipulates the following regarding the loss assumption (*Verlustübernahme*):

„The Controlling Entity is obliged, in accordance with the provisions of section 302 of the German Stock Corporation Act, to make up any loss for the year otherwise accrued during the term of the agreement to the extent it is not made up by withdrawing amounts from the other revenue reserves which have been deposited during the term of the agreement. Section 302 AktG applies accordingly.“

The German Act on the Amendment and Simplification of the Taxation of Enterprises and the Tax Treatment of Travel-Expenses Law (*Gesetz zur Änderung und Vereinfachung der Unternehmensbesteuerung und des steuerlichen Reisekostenrechts*) dated February 20, 2013, amended the wording of section 17 sentence 2 no. 2 of the German Corporate Income Tax Act. In order to provide for the recognition of a fiscal unity for income tax purposes with companies in the legal form of a limited liability company under German law (*GmbH*), with respect to new profit and loss transfer agreements concluded after February 26, 2013 or amendments of existing profit and loss transfer agreements made after February 26, 2013, it is necessary that the contractual loss assumption is agreed by way of a reference to the statutory provision of section 302 of the German Stock Corporation Act "in its respective currently effective version" (*„in seiner jeweils gültigen Fassung“*) (so called "dynamic reference" – *dynamischer Verweis*).

In its current version, the DPLTA does not contain such a dynamic reference which refers to the "respective currently effective version" of section 302 of the German Stock Corporation Act.

Against this background, the DPLTA, by way of the Amendment Agreement and while maintaining the existing fiscal unity between the Controlling Entity and the Controlled Company, shall be adapted to the new statutory requirements in such a way as to now (exclusively) govern the loss assumption by way of the legally required dynamic reference to section 302 of the German Stock Corporation Act.

4. Explanation of the Provisions of the Amendment Agreement

Pursuant to section 1 of the Amendment Agreement, the provisions regarding the loss assumption in section 4 of the DPLTA is amended in such a way as to now refer to the provisions of section 302 of the German Stock Corporation Act "in its respective currently effective version". Therefore, section 4 of the DPLTA shall be revised as follows:

CONVENIENCE TRANSLATION. FOR READING PURPOSES ONLY!

"With regard to the loss assumption, the provisions of section 302 of the German Stock Corporation Act apply accordingly in its respective currently effective version."

This amendment maintains the tax advantages of the fiscal unity for income tax purposes connected to the DPLTA. A corresponding amendment in the context of future (other) amendments of the DPLTA will not be required.

Pursuant to section 2 of the Amendment Agreement, the remaining parts of the DPLTA remain unmodified. Therefore, the Amendment Agreement is limited to the formal adaptation of the provisions regarding the loss assumption and essentially leaves all other rights and obligations of the DPLTA unchanged. With regard to sections 291 para. 1 and 2, 294 para. 2 in connection with section 295 para 1 sentence 2 of the German Stock Corporation Act, which apply accordingly to controlled companies in the legal form of limited liability companies (*GmbH*), section 3 of the Amendment Agreement provides that the Amendment Agreement is concluded subject to approval of the shareholders' meeting of the Controlling Entity and the shareholders' meeting of the Controlled Company and becomes effective only after registration with the commercial register of the Controlled Company.

5. No Audit, no Annual Compensation and no Cash Consideration

An audit of the Amendment Agreement as well as of the amended Domination and Profit and Loss Transfer Agreement by one or several expert auditors according to sections 295, 293b of the German Stock Corporation Act has not been conducted and will not be conducted as the Controlling Entity is the sole shareholder of the Controlled Company.

In the absence of outside shareholders of the Controlled Company, the DPLTA as well as the Amendment Agreement do not provide for stipulations on an annual compensation according to section 304 of the German Stock Corporation Act and on a cash consideration according to section 305 of the German Stock Corporation Act.

6. Display of Documents

Starting at the time of convocation of the shareholders' meeting, pursuant to sections 295, 293f of the German Stock Corporation Act, further documents will be displayed for inspection and will be available on the website of ProSiebenSat.1 Media AG. The documents will also be displayed for inspection in the shareholders' meeting of the Controlling Entity itself.
